MANAGEMENT'S REPORT

Management of the Ontario French-language Educational Communications Authority (OFLECA) is responsible for the financial statements, the notes to the financial statements and all other financial information contained in this financial report.

Management has prepared the financial statements in accordance with Canadian public sector accounting standards. In order to achieve the objective of fair presentation in all material respects, reasonable estimates and professional judgements were used. Management believes the financial statements present fairly the OFLECA's financial position as at March 31, 2019, as well as the results of its operations and its cash flows for the year then ended.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, Management has developed and maintains a system of internal controls designed to provide reasonable assurance that the OFLECA's assets are safeguarded from loss and that the accounting records are a reliable basis for the preparation of financial statements.

The Board of Directors is responsible for ensuring that the OFLECA's Management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Board of Directors carries out its responsibility for review of the financial statements principally through the Audit Committee. The Audit Committee meets with Management and the external auditors to discuss the results of audit examinations and financial reporting matters and to satisfy itself that each party is properly discharging its responsibilities. The external auditors have full access to the Audit Committee with or without the presence of Management.

The financial statements for the year ended March 31, 2019 have been audited by Marcil Lavallée, Chartered Professional Accountants, Licensed Public Accountants, the independent external auditors appointed by the members of the OFLECA. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their professional opinion on the financial statements.

Glenn O'Farrell

President and Chief Executive Officer

Lisa Larsen, CPA, CA

Director of Finance responsible for Financial, Legal and Administrative Services

Toronto, Ontario June 21, 2019

INDEPENDENT AUDITOR'S REPORT

To the Directors of Ontario French-language Educational Communications Authority (OFLECA)

Opinion

We have audited the financial statements of Ontario French-language Educational Communications Authority (OFLECA) (the Organization), which comprise the statement of financial position as at March 31, 2019, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the annual report, but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2019

9

1. STATUTE AND NATURE OF OPERATIONS

The Ontario French-language Educational Communications Authority (the Authority) is a Crown corporation created by a decree on April 1, 2007. The Authority is an independent French language broadcasting network and a charitable organization under the Income Tax Act and, as such, is exempt from income tax.

The Authority's main objectives are to provide French language educational broadcasting and telecommunications to the general public, to provide for the francophone community's interests and needs, and to develop the knowledge and skills of this community.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian public sector accounting standards (PSAS-GNFPO). The Authority has elected to apply Section SP 4200 series for government not-for-profit organizations. The accounting policies are set out below:

Management estimates

The preparation of financial statements in compliance with the PSAS-GNFPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the periods covered. Actual amounts could differ from these estimates. The main estimates relate to the useful life of capital assets, broadcasting rights and capitalized in-house programming costs and to the evaluation of certain provisions. Estimates also include the basis of allocating expenses used to capitalize the portion of the salaries and other expenses related to in-house programming. Estimates also include assets and liabilities related to employee future benefits.

The main items for which significant estimates were made are the defined benefits assets and liabilities for the accrued benefit pension plan and other retirement benefits plan. To estimate these amounts, management is required to make various assumptions that it considers reasonable, including with respect to inflation rates, discount rates and mortality rates. Management also takes into account future salary increases and the retirement age of employees. Any changes to the assumptions could have a significant impact on the Authority's results and financial position. The staff pension benefit expense could increase or decrease in upcoming years.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2019

10

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Contribution receivable

A contribution receivable is recognized as an asset when the amount to be received can be reasonably estimated and ultimate collection is reasonably assured.

Revenue recognition

Contributions

The Authority follows the deferral method of accounting for contributions.

Unrestricted contributions are recognized as revenue in the statement of operations when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions which are, explicitly or implicitly, externally restricted for the purchase of capital assets or broadcasting rights or internally developed television broadcasting subject to amortization (in-house programming) are deferred in the statement of financial position and recognized as revenue in the statement of operations on the same basis and over the same periods as the related assets.

Contributions which are, explicitly or implicitly, externally restricted for specific expenses to be incurred in future years (in-house programming and others) are deferred in the statement of financial position and recognized as revenue in the statement of operations in the period in which the related expenses are incurred.

Subscriptions and other

Revenue from signal subscriptions, sale of services, advertising and distribution, sale of educational products and other is recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Interest income

Interest income is recognized as revenue when it becomes due.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2019

11

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition (continued)

Contributions received in the form of supplies and services

The Authority accounts for the contributions received in the form of supplies and/or services when the fair value of these contributions can be reasonably estimated, and when the Authority would have obtained the supplies and services for its regular operations in another manner. Contributions received in the form of supplies and/or services are recorded at the fair value of the supplies and services received.

Financial instruments

Measurement of financial instruments

The Authority initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions.

The Authority subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in operations.

Financial assets measured at amortized cost include cash, accounts receivable and restricted cash.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in operations. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in operations.

NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 2019

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial instruments (continued)

Transaction costs

The Authority recognizes its transaction costs in operations in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

Cash and cash equivalents

The Authority's policy is to present unrestricted cash and investments with a term equal to or less than three months in cash and cash equivalents.

In-house programming, broadcasting rights and production costs

In-house programming, broadcasting rights and production costs are accounted for as follows:

In-house programming

In-house programming is defined as internally developed television broadcasting. Completed and in-progress programming having a future economic value through rebroadcasting and the use of web-based interactive tools is accounted for on an individual basis at cost, deducted from accumulated amortization and cumulative loss in value. Cost includes the cost of supplies and services and the portion of the labour and other direct expenses related to programming. Programming costs are recognized in the statement of operations with the television and new media services expense using the straight-line method over a period of four years or when programming is sold or unusable.

Broadcasting rights and production costs

Broadcasting rights and productions under co-production, pre-purchase and acquisition contracts are accounted for at cost. Broadcasting rights are amortized over a period of four years on a straight-line basis.

NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 2019

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Capital assets

Capital assets are recorded at cost, net of accumulated amortization.

Amortization is calculated using the straight-line method over the estimated useful lives of assets over the following periods:

	Periods
Mobility (tablets and smart phones)	2 years
Office equipment	3 years
Office infrastructure	4 years
Computerized production equipment	5 years
Production equipment	7 years
Office furniture and equipment	10 years
Leasehold improvements	Duration of the lease

Write-down of capital assets, broadcasting rights and in-house programming

When capital assets, broadcasting rights and in-house programming no longer contribute to the Authority's ability to provide services, the excess of the carrying amount of such assets over their residual value, if any, is recognized in the statement of operations.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2019

14

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Employee future benefits

The Authority accrues its obligations under the employee defined benefit plans, net of the fair value of plan assets. In order to do so, the Authority has adopted the following policies:

- The actuarial determination of the accrued benefit obligations for pensions and other retirement benefits uses the projected benefit method prorated on service. This determination incorporates management's best estimate of future salary levels, discount rate, other cost escalation, retirement ages of employees and other actuarial factors;
- For the purpose of calculating the expected return on plan assets, those assets are valued at fair value;
- An actuarial gain (loss) arises from the difference between the actual long-term rate of return on plan assets for a period and the expected long-term rate of return on plan assets for that period or from changes in actuarial assumptions used to determine the accrued benefit obligations. Actuarial gains (losses) for each period are recognized on a systematic basis and are amortized over the average remaining service life of active employees covered by the pension plan, which is 13 years. The average remaining service period of the active employees covered by the other retirement benefit plans is 17 years.

Foreign currency translation

Monetary assets and liabilities in foreign currency are translated at the exchange rate in effect at the balance sheet date, whereas other assets and liabilities are translated at the exchange rate in effect at the transaction date. Revenue and expenses in foreign currency are translated at the average rate in effect during the year, with the exception of expenses relating to non-monetary assets and liabilities, which are translated at the historical rate. Exchange gains and losses are recognized in the current year's operations.

Excess financing

Government ministries can require the reimbursement of any excess funding. All such reimbursements will be accounted for in the financial year in which they occur.

⁽a) A portion of the funding received annually can be set aside to ensure that the Authority's technical capital assets keep pace with technological changes and can be maintained or replaced.

⁽b) During the 2008-2009 year, the Authority decided to restrict contributions obtained from the dissolution of the TVOntario Foundation, which were received during the previous year. To this effect, these restricted funds may be used for purposes determined by the Board of Directors from time to time, and only with the approval of the Board.

Annually, a portion of the operating budget is specifically allocated to meet the requirements of the *Accessibility for Ontarians with Disabilities Act, 2005* (AODA). The balance of \$260,992 was recognized as deferred revenue and as an addition to the restricted cash. This amount will be used during the year ended March 31, 2020.

8. ASSET AND LIABILITY – EMPLOYEE FUTURE BENEFITS

Description of pension and other retirement benefit plans

The Authority has a number of funded and unfunded defined benefit plans, as well as defined contribution plans, that provide pension, other retirement and post-employment benefits to most of its employees.

The pension plan to which most of the Authority's employees contribute is made up of two components. The first component consists of a defined benefit plan entirely funded by the Authority. According to this plan, pension benefits are based on the number of years of service and the employee's salary at the end of their career. Every year, the pension benefits are grossed-up in accordance with the rate of inflation, up to a maximum of 3%. The second component consists in a defined contribution plan, with contributions paid by both the Authority and the participants. Other retirement benefit plans are contributory health care, dental and life insurance plans.

Total cash payments

Cash payments made for future employee benefits, consisting of cash contributed by the Authority to its funded pension plan, cash payments directly to beneficiaries on account of its unfunded other retirement benefit plans, and cash contributed to its defined contribution plans, amount to \$1,898,726 (2018: \$1,095,963).

Defined benefit plans

The Authority measures its accrued defined benefit obligations and the fair value of the plan assets as at March 31 of each year. The most recent actuarial valuation of the pension plan, for funding purposes, was prepared by Mercer as at March 31, 2019 and is a data extrapolation and evaluation based on the complete actuarial valuation dated March 31, 2017.

19. RELATED PARTY TRANSACTIONS BETWEEN RELATED ORGANIZATIONS

As sponsor of the Ontario French-language Educational Communications Authority Pension Plan, the Authority has undertaken to pay certain costs of the pension plan, including compensation of employees, professional fees and costs associated with the use of premises and other associated costs.

20. FINANCIAL INSTRUMENTS

Financial risk management objectives and policies

The Authority is exposed to various financial risks resulting from both its operations and its investment activities. The Authority's management manages financial risks.

The Authority does not enter into financial agreements including derivative financial instruments for speculative purposes.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2019

32

20. FINANCIAL INSTRUMENTS (continued)

Financial risks

The Authority's main financial risk exposure and its financial risk management policies are as follows:

Credit risk

Credit risk is the risk of financial loss for the Authority if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise mainly from certain financial assets held by the Authority consisting of cash and cash equivalents and accounts receivable.

The Authority is exposed to credit risk attributable to its accounts receivable. The credit risk is assessed as low mainly due to the type of debtor, for the most part comprised of the government.

The Authority is exposed to concentration risk attributable to cash and cash equivalents and restricted cash since it only trades with one financial institution. The Authority manages its credit risk by dealing with a reputable bank.

Exchange risk

The Authority is exposed to exchange risk due to cash and cash equivalents and accounts receivable denominated in US dollars. As at March 31, 2019, cash and cash equivalents in US dollars totalled USD \$132,093 (CAD \$176,515) (2018: USD \$170,889 (CAD \$220,344)).

The Authority does not enter into forward exchange contracts to cover its exchange risk exposure. The Authority believes that it is not subject to significant foreign exchange risk from its financial instruments.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2019

33

20. FINANCIAL INSTRUMENTS (continued)

Liquidity risk

Liquidity risk is the risk that the Authority will not be able to meet its financial obligations as they become due.

Liquidity risk management serves to maintain a sufficient amount of cash and cash equivalents. To ensure that the Authority has the necessary funds to fulfil its obligations, the Authority's management establishes budgets, but does not prepare cash flow forecasts.

As at March 31, 2019, the Authority has a cash and cash equivalents and restricted cash balance of \$16,198,432 (2018: \$11,625,751). All the Authority's financial liabilities totalling \$7,958,128 (2018: \$7,085,732) have contractual maturities of less than 365 days.

21. CONTRACTUAL OBLIGATIONS

The Authority has entered into operating lease agreements, expiring December 31, 2028, which call for payments of \$7,982,284 for the rental of office space. The minimum lease payments for the next five years are \$858,749 for the year ended March 31, 2020, \$885,254 for the year ended March 31, 2021, \$894,363 for the year ended March 31, 2022, \$923,138 for the year ended March 31, 2023 and \$949,382 for the year ended March 31, 2024.

The Authority has entered into other operating lease agreements expiring in 2019-2020 to pay a total amount of \$315,792.

As at March 31, 2019, the Authority had committed an amount of \$4,972,593 for the purchase of broadcasting rights, of which \$4,346,349 will be paid during the year ending March 31, 2020 and \$626,244 during the year ending March 31, 2021.

As at March 31, 2019, the Authority had committed an amount of \$375,975 for the purchase of capital assets for the 2019-2020 year.

NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 2019

22. CONTINGENCY

The funding received from government ministries may be refunded following an audit if the funding received is identified as a surplus based on the funding arrangements agreed between the parties. As at March 31, 2019, management has not been informed of any potential refund.

23. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to be consistent with the current year's presentation.
